Region 1 Workforce Development Board

Vision Statement

“To promote effective economic, education, and workforce development partnerships that will develop and sustain productive workers for business and thereby create prosperous communities for our citizens.”

II. General Information and Background

A. Region 1 Workforce Development Board

The Region 1 Workforce Development Board (R1WDB) is a 501(c)(3) non-profit organization designated as the administrative entity, organizer, and grant recipient of Workforce Innovation and Opportunity Act (WIOA) 2014 funds. The R1WDB encompasses an eleven (11) county area in West Virginia consisting of the following counties: Fayette, Greenbrier, McDowell, Mercer, Monroe, Nicholas, Pocahontas, Raleigh, Summers, Webster, and Wyoming.

This Request for Proposal (RFP) seeks to engage qualified applicants who will, through partnerships, improve the quality of life for the citizens throughout the local area by establishing a one-stop delivery system described in WIOA Section 121(e). Proposals will focus on helping job seekers, especially those with barriers to employment, as they access high quality career services, employment, education, training, and support services so they may succeed in the labor market and match employers with the skilled workers they need to compete in the global economy. Access to career services, as described in Section 134 (c) (2), will be available to youth, adults, and dislocated workers, respectively. Qualified applicants will establish and develop relationships and networks with large and small employers and their intermediaries and work collaboratively with partners/programs that are designed to meet workforce development needs.

B. Legislation

The R1WDB's One-Stop System services and programs are funded through the Workforce Innovation and Opportunity Act of 2014 (WIOA). Therefore, each Proposer must be familiar with state and federal requirements of this program and the R1WDB's local plan.

WIOA provides workforce development activities through statewide and local workforce development systems. These systems should increase employment, retention, earnings, and occupational skill attainment by participants and, as a result, improve the quality of the workforce. WIOA requires the creation of a One-Stop System through which job seekers and businesses will access One-Stop Services.

The R1WDB reserves the right to designate and fund the type and mix of specialized services that ensure the creation and maintenance of a One-Stop System that enhances the range and quality of workforce services to be made available in its constituent counties.

Self-Evaluation for Compliance With Section 504

I. Introduction

The Department of Labor regulations implementing Section 504 of the Rehabilitation Act of 1973, as amended, require at section 32.6 (c) that entities which receive financial assistance from the Department conduct a self-evaluation of their policies and practices to assess their programs' accessibility. Programs shall be accessible to persons with mobility impairments, hearing and vision impairments, and mental problems, and any other conditions which substantially limit a major life activity.

Ideas and language for the format and content of this instrument were obtained from the "Section 504 Self-Evaluation and Checklist" assessment tools developed by the Federal Programs Advisory Service, a Washington, D.C. entity, publishers of the Handicapped Requirements Handbook.

ACKNOWLEDGEMENT

I understand that I am submitting a competitive bid in response to a Request for Proposals issued by the Region 1 Workforce Development Board (R1WDB) seeking award of the One Stop Operator Contract. I understand that as a competitive bidder I have no property interest or entitlement to the award of the Contract. I have reviewed the Request for Proposal and I understand that the sole procedure available to me as a bidder for the Contract in the event I am dissatisfied with the R1 WDB's determination of any successful bidder for the Contract is to file a written request for reconsideration with the R1WDB Executive Committee. I further understand that the R1 WDB Executive Committee's decision with respect to any request for reconsideration shall be final and shall not be subject to appeal. I further understand that the R1WDB Grievance Procedure, established under Policy Letter No. 8, is not applicable to any Service Provider submitting bids for the Contract.
